

March 30, 2020

Dear Participant Families and Caregivers,

We have been closely following the advice of public health authorities, and the Governor's Stay Home Order due to the COVID-19.

The decision to suspend services temporarily at our three locations: Anaheim and Santa Ana Adult Day Health Care Centers and the Buena Park Adult Day Care Center was difficult, and is effective immediately.

As active participants of our programs, we want you to know that we are committed to the well-being of your loved one, and supportive resources will continue to be available to you. The center's Social Work and Nursing Staff will be following up with you to determine how we may best assist you as we work to keep you healthy during these difficult times.

Our hope is to be able to return to regular operations soon. We will keep you informed as we receive updates, through phone, email or our website, so check our site regularly at www.MealsOnWheelsOC.org.

Kind regards,

Gio Corzo

VP, Home and Care Services
