

6/30/2021

Dear Participant, Family and Caregiver,

The safety and well-being of our program participants and staff have always been a priority for our organization. We are reopening for in-person center services, and are doing so with much care and consideration.

Effective July 19, 2021, in-person center group services will resume at our two locations Anaheim and Santa Ana. Hours and accommodations for in person group services will be limited in accordance to federal, state, and local guidance.

Center Services hours: 8:30 am to 1:00 pm

Maximum capacity will be limited to 20 participants per day until further notice.

(Please note your day of attendance schedule will vary, please contact your preferred center for more details)

We will be scheduling reservations for in-person center group services starting in July 2021. Anaheim ADHC and Santa Ana ADHC will continue to offer alternative services, such as; Home Delivered Meals, Telehealth and supportive services.

We also encourage you to review the safety guidelines and site protocols to this letter for your reference. Please note that Anaheim & Santa Ana ADHC safety protocols, in-person services, and hours of operations are in place upon reopening.

Please be advised that safety recommendations can and will likely change in accordance to federal, state, and local guidance. We will share these changes, including their impact to your center services with you as they develop.

If you have any questions, please contact us at:
